

UMYU MANAGEMENT ORGANIZE SENDERFORTH TO HONOR OUT GOING PROVOST OF COLLEGE OF MEDICAL SCIENCES

As a tradition of the University to honour an outstanding staff whenever that person is opportune to move forward, this time, the Management of Umaru Musa Yar'adua University organized a small ceremony to honour the outgoing Provost of the College of Health Sciences professor Jamilu Tukur.

The occasioned which was graced by some members of the Management team and colleague of the celebrant was meant to celebrate the outstanding work of the Provost and appreciate his dedication to the commencement of the Medical programme of the University.

The Celebrant, Professor Jamilu Tukur stated that leaving UMYU is very emotional to him as he expressed appreciation over the kind gesture by the Management of the University. He added that running the medical school is demanding especially when it comes to financing, the College adds prestige to the University he said giving emphasis on the Management of the University to tackle the challenges facing the College while offering

advises and solutions on how to handle such problems.

Appreciating the outgoing Provost, the Vice Chancellor of Umaru Musa Yar'adua University, Professor Shehu Salihu Muhammad stressed the continued efforts of the University in upholding quality staff making it a tradition to honour outstanding personnel who contributed enormously in the development of the University. He added that, Prof. Jamilu has good leadership character and a mobilization quality, he has played a vital role in bringing the College of Health Science into existence and the Federal Teaching Hospital as a teaching ground for the University's medical students.

The VC expressed profound gratitude to Prof. Jamilu for the role he played in the accreditation exercise of the College. Professor Shehu Salihu also welcomed the counsel by the pioneer Provost concerning the challenges facing the College and ways to solve them. He assured him that measures have already been taken to tackle such challenges and encouraged him to provide counsel to the University anytime. He prayed to Allah (SWA) to reward him and wished him all the best in his future endeavours.

Goodwill messages were given to the Pioneer Provost of the College of Medical Health Sciences among which include that of the Deputy Vice Chancellor Administration, Professor Muktar Aliyu Katsina, he said Professor Jamilu going back to Bayero University and possibly to greater opportunities is something to be celebrated but on the other hand he will be greatly missed by UMYU for his numerous contributions and good counsel especially in the success of the College of Health Sciences, his dedication has led to the practical existence of the Collage. Prof. Muktar acknowledged the calibre of the Provost who is an examiner in the Council of Consultant Surgeons in West Africa a very important factor which played a role in the achievements made by the College.

In his goodwill message, the Registrar of the University Muhammad Yusufu Abubakar congratulated Prof. Jamilu for a successful four years as Provost of the College of Health Science and the achievements he made despite challenges encountered as a pioneer Provost, this he said made him to leave a legacy in the University, he wished him all the best in his carrier as he will be greatly be missed by the University community.

The Librarian of the University, Professor Sani Abdu Fari commended Prof. Jamilu for his excellent display of character which led to the solid foundation of the College of Health Science, he appealed to him to continue to be part of the University.

At the end of the occasion, Letter of commendation and gifts were presented to the outgoing Provost of the College of Health Sciences Prof. Jamilu Tukur.

MINISTRY TEAM VISITS UMYU, PLEDGES STRONGER SUPPORT

The Katsina State Ministry of Higher, Technical and Vocational Education have paid a familiarization visit to Umaru Musa Yar'adua University to strengthen collaboration and improve service delivery in the higher education sector.

The delegation, led by the Honourable Commissioner Adnan Nahabu and the Permanent Secretary Hajiya Safiyya Ya'u Yamel, was received by the Vice Chancellor Professor Shehu Salihu Muhammad, alongside principal officers of the university. The visit was aimed at enabling the ministry's leadership to acquaint themselves with the university's operations, academic programmes and administrative structure.

Speaking during the visit, the Vice Chancellor described the engagement as timely and significant. He congratulated the Commissioner and Permanent Secretary on their appointments and commended Governor Dikko Umaru Radda for appointing capable leaders to oversee the education sector. He also appreciated the ministry for its prompt response to the university's official communications and pledged continued cooperation with government policies and directives.

In his remarks, the Commissioner described the visit as historic and reaffirmed the ministry's commitment to supporting the growth and development of the university. He conveyed the governor's pride in the institution and assured the management of continued collaboration to strengthen academic excellence, infrastructure and service delivery.

The Permanent Secretary also assured the University of Sustained Cooperation, emphasizing the ministry's readiness to work closely with the management to address challenges and promote higher education development in Katsina State.

ONE OF UMYU HONOURED

Hard work and dedication makes a person to attend greater positions, it is this kind of quality that led to one of Umaru Musa Yar'adua University staff in person of Professor Khalid Hassan from the Department of Arabic to be given an honorary award by the Nasarawa State University, Keffi.

Professor Khalid Acknowledged UMYU for the support and encouragement given to him and thanked Allah (SWA) for giving him the opportunity to attend such heights.
